Greetings,

Welcome to our summer session for year-round students. Summer Camp begins today and our students and staff are refreshed and ready to learn even more through great educational and enjoyable experiences.

I am especially excited because this is my first day as the newly appointed Director of The Christian Academy at Ben Hill United Methodist Church. I hope that you will pray with and for me as I assume leadership of our team of outstanding professionals who are committed to providing the very best educational opportunities for our next generation of leaders.

Please stop by to visit us and bring your friends who may not know about our amazing learning institution. I would love to have an opportunity to meet and talk with you about your child. When you call to schedule your visit, I will take you on a tour of our facility and you will have an opportunity to observe our geniuses at work. They will be having so much fun as they learn developmentally appropriate concepts using the ABeka curriculum along with other supplemental curricula and resources. Our children learn through exploration in an environment that stimulates cognitive, communicative, social emotional, gross and fine motor skill and spiritual development.

In closing, I want to share a message that resonated with my soul because this is the promise we make to every child who is educated at The Christian Academy. I hope that you will love it as much as I do.

Dear Child,
I promise to be in front of you to cheer you on;
Behind you to have your back; or
Next to you so that you are never walking alone.
